Sherwood Management Co., Inc.
Store Associate Sales Incentive Program
Effective September 1, 2019

The following information describes the company's Sales Incentive Program.

General

1. This Sales Incentive Program ("Program") summarizes the features of Sherwood's incentive compensation program for eligible Sherwood Management Company, Inc., dba Daniel's Jewelers ("Sherwood") sales associates ("Associate(s)"). The Program is intended to reward Associates for sales performance consistent with management objectives. It is intended to take into account the manner in which the results are achieved, including adherence to Sherwood's values and policies.
2. Payments under this Program are in addition to the Associate's guaranteed standard wage, including all mandated minimum hourly wages or other compensation, and any applicable overtime premium rates. Associates have no vested or contractual rights to any compensation described in this Plan over and above their standard wage. The award and payments under this program are always subject to management's sole discretion.
3. This program includes two types of payouts – Sales Incentives and Other Bonuses. Each is addressed below. For each type of payout, current employment on the date the adjustment period has ended (as defined below) is a condition of earning any compensation.

Sales Incentives (based upon sales performance and monthly sales quotas)

4. To be eligible for Sales Incentives, an Associate must be assigned a sales quota. Associate quotas are established at the store where the Associate is assigned to work, including temporarily assigned work locations.
5. As used in this document, "net" shall mean the gross sale, less returns for credit and, if applicable, less the reduction of each type of sale per Associate due to the allocation of sales and returns for credit between Associates, i.e., "splits," less sales which have been determined to be fraudulently entered or entered in violation of company policy, regardless of the company's ability to tender or collect on such sales, and shall apply to merchandise, repairs and registry transactions.
6. As used in this document, "Incentive Sales" shall mean the sum of net merchandise, net registry, and net repair sales sold by the Associate during the calendar month, including returns for credit that may have originated from a transaction, but for which a Sales Incentive may have not been previously advanced or earned.
7. The Sales Incentives advanced will be based on the percentage of the Associate's quota achieved. As noted below, some levels of achievement will be based on net merchandise sales PLUS net repairs sales and net registry sales. Other levels of achievement will be based solely on net merchandise sales.

Sherwood Management Co., Inc.
Store Associate Sales Incentive Program
Effective September 1, 2019

8. The amount of the Sales Incentive advance to be paid is a percentage (referred to as “Sales Incentive Rate”) times Incentive Sales. The Sales Incentive Rate will be determined as:
 - a. When the Associate’s Incentive Sales is divided by the Associate’s sales quota and the results is less than 80% (“Less Than Partial Quota”), the Sales Incentive Rate is zero, no Sales Incentive Advances will be advanced, and no Sales Incentives can be earned.
 - b. When the Associate’s Incentive Sales is divided by the sales associate’s sales quota and the result equals at least 80% (“Partial Quota”), the Sales Incentive Rate is 0.5%.
 - c. When the Associate’s Incentive Sales is divided by the Associate’s sales quota and the result equals at least 100% (“Silver Quota”), the Sales Incentive Rate will instead be 1.0%.
 - d. When the Associate’s Incentive Sales is divided by the Associate’s sales quota and the result equals at least 110% (“Gold Quota”), the Sales Incentive Rate will instead be 2.0%.
9. When the Associate’s Sales Incentive Rate is greater than zero, a Bonus Sales Incentive Rate will be added to the Associate’s Sales Incentive Rate when the store in which the Associate sold the majority of his or her Incentive Sales during the month achieves 20% or more in total down payment on all included charge sales, 12% or more in non-third party down payments on applicable non-third party charge sales made (“Store Down Payment Requirements”).
 - a. If the store achieves the Store Down Payment Requirements above and 100% or more of the store’s entire store quota for the month, the Bonus Sales Incentive Rate will be 0.5%.
 - b. Alternatively, if the store achieves the Store Down Payment Requirements above and 110% or more of the store’s entire store quota for the month, the Bonus Sales Incentive Rate will instead be 1.0%.
10. The amount of any advance on potential Sales Incentives is calculated after the conclusion of each calendar month.
11. Advance payment of any potential Sales Incentives will be made on the next regularly scheduled bi-weekly payroll following the calculation and review of all Incentive Sales for the calendar month.
12. Associates shall not earn any Sales Incentive unless and until the calculation process is complete and the adjustment period has ended (the end of second calendar month following the calendar month in which the transaction originally occurred – a maximum of 92 days or less), and the Associate meets all other conditions for receipt of Sales Incentive compensation set forth in this Program.
13. Current employment on the date the adjustment period has ended (as described in paragraph 12, above) is a condition of earning any Sales Incentive compensation.

Sherwood Management Co., Inc.
Store Associate Sales Incentive Program
Effective September 1, 2019

14. Management retains the right, in its sole discretion, to recover advances on potential Sales Incentives if (a) Sherwood discovers that the transactions or events giving rise to the advance of potential Sales Incentive violates Sherwood's policies, the Program, or the spirit of the Program, and/or (b) the individual is not employed at the date the Sales Incentive is earned.

Other forms of Bonuses

15. From time to time, the company may announce and authorize additional incentives. Such incentives may be based upon the Associate's sale of specific items or engagement in specific activity (collectively "Activity").
16. Advance payment of any potential incentives may be made at the time of the Activity. Such incentives will be earned only (a) if the benefit of the Activity is not lost within 90 days (e.g., by returns or refunds), and (b) the Associate meets all other conditions for receipt of additional incentives set forth in this Program.
17. Current employment on the date the adjustment period has ended (as described in paragraph 16, above) is a condition of earning any incentive compensation.
18. If the benefit of the Activity is lost within 90 days, advance payments arising from that Activity must be returned by the employee, and/or amounts advanced to the Associate for such sales may be deducted at a later date from other unearned incentive payments under the program.

All employment at Sherwood is "at will," and the establishment and administration of this Sales Incentive Program does not modify this "at will" arrangement in any way. Sherwood reserves the right to revise, modify, or withdraw this Program at any time, in its sole discretion.

Re: ARBITRATION AGREEMENT

Although Sherwood Management Co., Inc. hopes that differences with its employees will not occur, when they do, we actively encourage associates to first contact their immediate supervisor, manager, or a member of management to assist in resolving any issues or concerns that might arise. In addition, you can always reach out anonymously to The Network @ (800) 241-5689, if you do not feel comfortable speaking with one of the sources listed above.

In the event an employment conflict does develop, we believe it is in the best interest of everyone concerned to handle the issue promptly and with a minimum of disruption to our employees and the business operations. In order to more speedily resolve certain work-related differences that may come up between Sherwood Management and its employees, we have instituted an Arbitration Agreement and procedure. Under the Arbitration Agreement, certain disputes that may result from your employment with Sherwood Management, or the termination of your employment, will be resolved by arbitration.

We believe arbitration provides:

- An opportunity for both parties to work together towards a resolution
- A more informal, less expensive, and time efficient alternative to litigation
- Flexibility in scheduling to accommodate everyone's availability, rather than fit into a court's calendar
- Simplified and private proceedings where decisions are made by an arbitrator rather than a judge

Working together and effectively communicating is always suggested as the first and best solution to addressing your concerns!

Sherwood Management Co., Inc./Daniel's Jewelers, asks that you read, review, and sign the attached arbitration agreement. Please feel free to ask to speak with the Director, Human Resources if you have any questions.

HOW TO RESOLVE A COMPLAINT or PROBLEM

It is important to us that you and each employee find Sherwood Management/ Daniel's Jewelers a pleasant and enjoyable place to work. It is possible that at times, there may be a question, misunderstanding or some other situation that arises concerning your job, other employees, or customers that you are not comfortable with, or that might even make you feel that you are being treated unfairly or inappropriately. If this should ever occur, you should let the appropriate person know about it, as your success and the continued success of our company often depends upon you doing this. In fact, we feel so strongly about the importance of you resolving any problem like this that policy requires you and each employee to do one or more of the following in order to resolve a question or problem of this type:

1. Discuss and attempt to resolve the matter directly with the person that is causing the problem.
2. If the problem continues, report it to your store or department manager, so they can take action to resolve the matter.
3. If you are not comfortable doing either of the above steps, or if after you do them, the matter is not resolved discuss the matter with your RDM then Department head, Director of Loss Prevention Tim Humble (626) 437-4104, LP Manager Cary Straus (818) 383-6400, or with Cindy Stein, Director of H.R. Department and can be reached at extension 5618.
4. If you wish to inquire about something, have a suggestion, or want to report something anonymously, you can call a company called **"The Network"** at **1-800-241-5689** or **report online at www.reportline.web.com/SMCDJ**. The Network will forward your message to us without asking your identity and in most instances, can pass our reply back to you.
5. Should you not be satisfied with the results of the above steps, you should submit the matter in writing to company ownership. Your written correspondence will be reviewed in it's entirety and a reply will be sent to you within a reasonable period of time.

At any time, either during or subsequent to the above process, you may directly contact Cindy Stein with any questions or concern. At your request, this conversation will be kept confidential.

Since you are required to follow this company policy by doing one or more of the above steps when necessary, the fact that you do one or more of them will not be held against you.

ASSOCIATE TRAINING EVALUATION – 17 STEPS TO BECOME A CHAMPION

I acknowledge that I have been made aware of the policy items listed below. I understand that each item are requirements that each store employee like me must always do while working for Daniel's.

#1 ATTENDANCE – Call or Clock-In & Start Working On Time

1. Always know my correct work schedule each day, copy each weekly schedule when posted, and check it for changes.
2. By the start of each shift (also after a rest or meal break), I should be clocked in, wearing the required clothing, be ready to work and continue working until the end of my scheduled shift.
3. If I am going to be absent, I must call (not text) and either leave a message or speak with my Manager or Supervisor (only if my Manager is not available) at least three (3) hours before the start of my shift. If I leave a message, I must call and speak with my Manager or Supervisor (only if my Manager is not available) during the 30 minutes following the start of my shift.
 - a. If I can't call for any reason, I should arrange in advance for someone to call for me.
4. If I am going to be late, I must call and either leave a message or speak (not text) with only my Manager or Supervisor (only if my Manager is not available) before the start time for my shift and say what time I will be at work.
 - a. If I am going to be later than this new late time, I must call back and tell my Manager or Supervisor before this new late time and then tell them what time I will arrive at work.
5. I should not be late or absent because of something I could have anticipated and done to prevent my being late or absent. This includes things like using an alarm with a battery (like a cell phone), charging it if necessary in case there is a power outage during the night, appointments, or leaving for work early enough so that an accident or heavy traffic won't cause me to be late.

#2 DRESS CODE AND CELL PHONE – Attire, Name Badge comply with Dress Code. Follow Cell Phone Policy

1. I must wear acceptable professional business attire (refer to dress code policy) when I arrive at the store for work; or
2. When I clock "in" to start work; and at all times while being paid to work in the store.
3. During work time when I am being paid, except during a rest break, my cell phone should be turned off and put away in the backroom where other employees can't see it. I can only turn it on and use it during a rest break if I am not within view or hearing of co-workers; and
4. When I am clocked 'out' and not being paid like during a meal break; I should only turn on or use a cell phone when I am not within the view or hearing of co-workers.
5. A personal phone call should not be received during work time unless it is an emergency.

#3 DOES COMPANY RELATED TASK THAT MY MANAGER/KEYHOLDER ASK WITHOUT RESISTANCE

1. Whenever I am directed to do something by the Store Manager or Keyholder or a main office management person, I should immediately do it without comment, argument, or asking questions unless I need instruction about how to do what I am being told to do.
2. While I am in the store and within the hearing or view of another employee or a customer, I should always smile, speak to others in a respectful, pleasant, calm manner, never curse, never raise my voice because I am upset, never refer to a person by a characteristic about them (like race, religion, gender, age, sexual preference, etc.) or gossip or say anything negative about another employee or a management decision or the company to a co-worker or customer, or do or say anything that could distract an employee from their work or a customer from shopping.
3. If I have a complaint about another person or a decision made by management, I should calmly speak privately with the store manager, district manager, and human resources department or report it anonymously to management through a company called "The Network" by calling 1-800-241-5689 or report the complaint online at www.reportline.web.com/SMCDJ.

#4 COMPLETES AND FILES PAPERWORK PROPERLY

My position requires that I always completely fill out each sales ticket, envelope, form, log, etc. that is required to be done with each job related task that I do and that I put this paperwork into the proper place after filling it out. I must always do this:

1. Before I help a different customer or begin doing a different task; or
2. Make sure that someone else will immediately do it before I help a different customer or began doing a different task.

#5 CHECKS WITH MANAGER BEFORE LEAVING STORE

1. Check with the store manager or the Keyholder-in-charge at the end of my shift before leaving the store; and
2. Not clock out or leave the store before first checking with the store manager or the Keyholder-in-charge.

#6 WORK THE LEASE LINE WHEN NOT WITH A CUSTOMER

When I am not helping a customer or doing a specific task as directed by the store manager or the Keyholder-In-Charge (if the manager isn't in the store) I should always Work at the Lease Line of the store by:

1. Taking a 'lease line' designated gift (like a pair of CZ earrings) out in front or along the open side of the store;
2. Offer a free gift (or offer other things) to any customer that fills out a credit application (see below samples);
 - Free Gifts (Jewelry, Earned Gift Card, Gift with Purchase)
 - Clean & Inspect Jewelry (Ultrasonic, Steamer, Polishing Cloths)
 - Something for the Kids (Daniel's/Animal Balloon, Coloring Book)
 - Food & Drinks (Coffee, Cookies, Chips, Snacks, Water)
 - Have You Seen This? (Rolex, Lab Grown Diamonds, Daniela)
 - Huge Discount (Black Book, Trunk, BOGO, Gold Rush Event)
 - Credit Challenge (Applications, YWBA, Sunbit, Progressive, Zibby or Other)
3. I should offer this opportunity to every person that walks by me in the mall or in front of the store.

#7 CUSTOMER SERVICE PHILOSOPHY

The Daniel's Spirit has made us a successful company for over 70 years.

1. Smile at the customer; and
2. Greet and welcome each customer by saying something other than "Can I help you".
3. I should constantly remain focused on providing a maximum level of CUSTOMER SERVICE. It is the company's intention that customers are not only satisfied but delighted with the service received in our stores.
4. The company expects all associates to be familiar with, and show "The Daniel's Spirit" whenever they are working in any position within the Daniel's organization.

I agree to familiarize myself with the policy for each of these items by referring to THE EMPLOYEE HANDBOOK which is also available on the Store Web terminal that I can look at it anytime. I further agree to never intentionally violate any policy in this Handbook and understand that doing so could result in my discharge. I will contact the Human Resources Department at (310) 665-2100 x-5618 if I have a question about this information.

#8 – 11 REQUIRED COMPANY SALES EXPECTATIONS

TO DO WITH EVERY CUSTOMER:

The following are required tasks that each person, including me, that works in a Daniel's jewelry store must always attempt to do with each customer to build trust, respect, and demonstrate good customer service.

#8 – 11 Company Expectations:

1. Show and let every customer hold an item with a ticket price of \$1,000 or more by saying something like "Have you tried on our new (Signature piece or 1.00 CT. diamond, etc.)?"; and
2. Offer to complete a credit application with every customer (Daniel's and other available credit programs) by saying something like "We are going to get you the Best Financing possible"; and
3. Show a newly arrived or other piece of merchandise to each customer when taking his or her payment by walking with the customer to the case after saying something like "I would like your opinion on something"; and

#14 Jewelry Cleaning and Repair - Required to always attempt to clean the jewelry that a customer is wearing, inspect it for any service or repair needs, and inform the customer of anything that I discover.

1. If I discover a service or repair need with a customer's jewelry, I should point it out and explain it to the customer.

#17 Deliver Receipt Envelope & Credit Talk off Expectation - After recording on POS a Credit sale or payment, I must:

1. Explain to the customer the many reasons why it is so important that they make their first payment and each payment after that by the scheduled date as written on the outside of the POS receipt holder; and
2. Let the customer know that most people prefer to come by the store to make their payment and the benefits of doing this including the knowledge that the payment was recorded on time (not lost or delayed in the mail) and receiving the payment receipt immediately; and
3. Put the POS receipt into a POS receipt holder and hand it to the customer

Today, I was also reminded that doing this is such an important customer service requirement of my position that if in the future I intentionally don't attempt to do this with even one customer, this could result in disciplinary action that could include my discharge
